Care to Share works this way!

By referring your friends and relatives to our office tells us you value the relationships we have built together.

1) We will give your referral \$50 off for any office visit before the expiration date and extend the same quality dental care and courteous service you receive.

2) When your referral arrives for an appointment and gives us the Share Card with your name on it, we will credit your account \$50 as our way of saying thank you for your continued expression of confidence on referring our office.
